In a world where we can lose millions of dollars in a few seconds. Therefore, be sure to collect as much information as possible at the start of any procurement process, otherwise you will lose the opportunity to add value to a client ( or yourself). There are so many ways you can find the information to complete the assessment: which vendors are available? Are there any others that your competitors use? Are they using a web based system which will limit the number of vendors (and you are limited to web browsing)? In that case, 3da54e8ca3
